On International [#HolocaustRemembranceDay](#), Ambassador Al Otaiba spoke to Sara Bloomfield, Director [@HolocaustMuseum](#) and [@Robsatloff](#) from [@WashInstitute](#). [#WeRemember](#)

"We join the international community and remember the six million Jews and millions of others murdered by the Nazis. We also pay tribute to all those who survived the horrors of the Holocaust. The hatred that contributed to the genocide remains present today. We all have a responsibility to counter all forms of antisemitism & hate by promoting tolerance, inclusive dialogue, and mutual respect across all backgrounds and faiths. We must continue the vital work of building bridges of community & condemning those who promote hate."

## U.S. Marine Corps Forces, Central Command @USMARCENT

"The relationship between the [#UAE](#) and [#UnitedStates](#) armed forces has an essential role to [#stability](#) and [#security](#) in the region," said [@USMC](#) Brig. Gen. Farrell Sullivan, Commanding General of Naval Amphibious Force, Task Force 51/5th Marine Expeditionary Brigade.

"This [#training](#) opportunity between the UAE Presidential Guard and U.S. Forces reinforces our [#commitment](#) to bilateral engagements and highlights the continued efforts between both nations to enhance [#interoperability](#) and crisis response capabilities."

Special Presidential Envoy John Kerry

In honor of National Blood Donor Month, Ambassador Yousef Al Otaiba, diplomats and colleagues participated in a blood drive at the embassy of the United Arab Emirates in Washington, DC, organized by the embassy's Cultural Diplomacy Department and in partnership with Children's National Medical Center (CNMC).

CNMC's Donor Center team of professionals setup donation stations in the embassy's ballroom where over 25 units of blood were donated throughout the day. In learning that just one unit of blood is enough to potentially help 4-5 children, the embassy has decided to incorporate a quarterly blood drive event into its annual community outreach programming calendar.

This donation event was in strict adherence to social distancing and other Covid-19 protection guidelines, providing a safe and beneficial opportunity for the Embassy to make a direct impact on the community.

## This Month In History

**In January 2011**, the Khalifa Foundation, founded by HH Sheikh Khalifa Bin Zayed Al Nahyan, President of the UAE, donated \$150 million to MD Anderson in Houston, Texas to support the building of the Sheikh Zayed Bin Sultan al Nahyan Building for Personalized Cancer Care. The state-of-the-art center opened in 2016 and provides resources for enhancing cancer care and accelerating cancer research.
