## HE Dr. Anwar Gargash Highlights Strength of US-UAE Strategic Relationship

July 22, 2021

"The US is one of our most important relationships. It is as close and as strong as it has ever been with the Biden Administration," said His Excellency Dr. Anwar Gargash, diplomatic advisor to the UAE President. "In our 50th year, the UAE's shared vision and values with the US are well appreciated."

The senior UAE diplomat made the remarks at the conclusion of his visit to Washington, DC, where he [met with senior US officials and Members of Congress](#) to reaffirm the UAE's commitment to working closely with the US on regional matters, in order to bring about greater stability and prosperity.

## **This Month in History**

One year ago on July 19, 2020, the UAE became the first Arab nation to reach Mars. After traveling 306 million miles during its 7-month journey to the Red Planet, the Hope Probe now orbits Mars and is transmitting data on the planet's atmosphere back to Earth. The probe was developed in close collaboration with US educational partners University of Colorado Boulder, Arizona State University, Northern Arizona University and University of California, Berkeley.
