Americans Travel Quarantine-Free to the UAE

May 27, 2021

Travelers from the US can now visit Abu Dhabi and Dubai [without needing to quarantine](#) on arrival. With the inclusion of the US on Abu Dhabi's "[Green List](#)," Americans traveling to Abu Dhabi or Dubai are required to take a COVID-19 PCR test before they depart for the UAE, and again when they arrive. As part of the UAE's safe reopening, Abu Dhabi will further loosen restrictions on July 1, ending mandatory quarantine protocols for most other international travelers. Learn more about visiting [Abu Dhabi](#) and [Dubai](#).

Vax Live: We Can End COVID-19 by Working Together

These world leaders are right: we are stronger when we work together — and we're all more alike than we might think! Thanks to the cooperation and compassion of world leaders and Global Citizens like you, we're getting closer to ending this pandemic once and for all. [#VaxLive](#)

This Month in History

In May 2015, Cleveland Clinic Abu Dhabi opened its doors to patients in all units, bringing extraordinary medical treatment and innovation to the region. The world-class, multispecialty facility

offers a range of cutting-edge medical and surgical services, including institutes focused on heart and vascular, neurology, ophthalmology, gastroenterology and respiratory, improving the quality of care that patients receive in the UAE and throughout the Middle East.

UNITED FOR A BETTER FUTURE

With shared interests and common
values, the UAE and US are close
friends and strong allies
