

## NEWS FROM THE EMBASSY OF THE UNITED ARAB EMIRATES IN WASHINGTON D.C.

November 16, 2021

### UAE to Host COP28

The UAE will host the 28th United Nations Climate Change Conference, or COP28, in 2023, as announced during the recently concluded COP26 in Glasgow.

The UAE and US also launched the [Agricultural Innovation Mission for Climate](#) (AIM for Climate)—an initiative to accelerate climate-smart agriculture and food systems. Raising \$4 billion in investment, AIM for Climate is supported by over 30 countries and 45 non-government partners, including the Bill & Melinda Gates Foundation.

The UAE's Pledge of Net-Zero Emissions by 2050

UAE teams up with IRENA on climate finance solution

### @ClimateEnvoy

Congratulations to Egypt as the newly-announced host of [#COP27](#) and to the UAE as the host of [#COP28](#). The United States looks forward to working with both countries to carry forward the progress of Glasgow and drive further climate action.

---

### @secvilsack

It was an honor to join UAE Minister of Climate Change & Env., H.E. [@Mariammalmheiri](#) to discuss [#AIM4C](#). We're at a crossroads facing challenges to end hunger, address climate change & fight an ongoing pandemic. Together, we can do more & ag must be part of the solution. [#COP26](#)

---

### [@UAEClimateEnvoy](#)

Met with Special Presidential Envoy John Kerry [@ClimateEnvoy](#) at [@COP26](#) and exchanged ideas on sustainable, scalable climate action. Looking forward to working together in the future and at [#UAECOP28](#) if we are confirmed as hosts. [#COP26](#) [#UAEforClimate](#)

### [@BillGates](#)

Unless smallholder farmers can adapt to climate change, we will lose the global battle against hunger and poverty. [@AIMforClimate](#) is rising to the challenge and supporting major investments in [@CGIAR](#) to power agricultural innovation.

## @PowerUSAID

Thanks to @SecVilsack, @ClimateEnvoy, @mariammalmheiri, @e\_cousens, & @SenBobCasey for joining in a great discussion @COP26 today on @AIMforClimate, and @USAID's commitment to the initiative.

## @IRENA

💡 #ETAF is @IRENA & #UAE's response to the urgent need for #ClimateFinance to achieve #NetZero. Launched at @COP26 & bolstered by @ABUDHABI\_FUND, it will mobilise US\$1 billion for #renewables in developing countries in 2030.

## This Month in History

**In November 2017**, the Louvre Abu Dhabi opened its doors to the public. Building on the UAE's mission to promote cross-cultural connection and tolerance, the Louvre Abu Dhabi aims to connect the world through art. The museum brings together creations from every corner of the world to tell the global history of humankind through art. Visitors can see iconic works in a new light, side-by-

side with contemporary Arab art pieces. By 2019, the Louvre Abu Dhabi had already earned the title of most visited museum on the Arab world, amassing over 2 million visitors. The museum is celebrating its anniversary and the UAE's golden jubilee by displaying over 100 new pieces of art, including French artist Jean-Honore Fragonard's *The Bolt*.

## 50 years of UAE-US friendship.

**Learn how the UAE and US are united for the next 50.**
